Hit the Track with Union Sportsmen's Alliance and Chevrolet

The Union Sportsmen's Alliance and Chevy are putting the pedal to the metal for another exciting giveaway where one lucky member and a guest will join Realtree Outdoors founder and TV personal-

ity Bill Jordan for an "Ultimate Outdoor Weekend" in Talladega, Ala., this spring. The grand prize package will include roundtrip airfare, accommodations, race tickets, access to pit road, first-class seating in the Realtree suite and the chance to hang out with Jordan and the folks from Realtree all weekend - and perhaps get a few hunting tips from the pros. But it doesn't end there. Jordan is also kicking in some great Realtree gear for the USA winner.

Instead of watching the cars fly by in Talladega, the USA first prize winner will experience the thrills and sensations of racing from behind the wheel of a NASCAR-style stock car or ride shotgun with a professional instructor through the Richard Petty Driving Experience at one of their many track locations around the country. Twenty-five USA members will receive the second prize gift of Chevy-Realtree camouflage hat.

"Experiencing a NASCAR race front and center with a legend in the outdoor industry - it doesn't get much better than that," said USA Executive Director Fred Myers. "Thanks to partners like Chevy, we're able to award lucky members with once-in-a-lifetime experiences in addition to valuable deals and discounts. We're proud to call Chevy an official partner of the USA."

There is no cost to enter this giveaway. All active USA members on or

before January 31, 2010 are qualified to win. To register to win, go to Unionsportsmen.org. Not a USA member yet? JOIN NOW and get qualified for your chance to win this full-throttle prize package.
